

Coosa Valley Federal Credit Union to Build New Branch in Cartersville

02/25/08

Coosa Valley Federal Credit Union is proud to announce plans to locate a new branch office at the corner of Felton Road and North Tennessee Street in Cartersville, Ga. The branch, upon its completion, will take the place of the current branch located at 266 Nelson Street. Ron Tomlinson, CEO and President of Coosa Valley, stated, "We have been looking for a location for some time on which to build a new facility. With our growth and increase in services, we simply needed a larger space with greater service capabilities. When the property became available on North Tennessee Street, it seemed a perfect fit especially in light of the present and slated development for that area of Cartersville." Construction is scheduled to begin this spring with a completion date some time in the first part of 2009."
